Thanks for preparing this. I made a few issues principally dealing with communications with the tribes. The issue/question summary looks very good. I can wait til Monday for R9 to send a final of this out but, (b)(5) Deliberative I'm sending a draft to OW today to help them think about how fast they want to push this. I'll send a draft of your draft with my edits included. Many thanks

(b)(5) Deliberative
